

Brownbuilt FP Anti-Tilt[®] Filing Cabinets

Brownbuilt

TESTED
50,000
TIMES

5 YEAR
WARRANTY

Product Description

All Brownbuilt Anti-tilt[®] filing cabinets are engineered to provide exceptional office storage solutions. Our precision ball-bearing runners ensure quiet, silky-smooth drawer operation and

unhindered access to the high-sided drawers. Our tight tolerance designs are load tested for 50,000 cycles to ensure ultimate reliability in a durable powder-coated package.

For safe operation we include the Brownbuilt Draw Lock-Out[®] mechanism with our entire range of Brownbuilt Anti-tilt[®] filing cabinets.

Brownbuilt - the trusted name in storage[®]
