

Legato Anti-tilt Filing Cabinet

Brownbuilt

TESTED
50,000
TIMES

5 YEAR
WARRANTY

Product Description

The Brownbuilt Legato Anti-tilt filing cabinet has been engineered to provide reliable and practical office storage.

Legato's new ball bearing runner system has been designed for quiet, smooth drawer operation.

Runners extend fully to provide unhindered access to the high-sided zincseal drawer, and the tight tolerated design prevents jamming.
