

# OCTAVE Tambour Door Cupboard Accessories

# Brownbuilt

## 5 YEAR WARRANTY

### *Product Description*

**Brownbuilt has pioneered the development of quality engineered, space-saving office storage systems, that range from filing cabinets and cupboards, through to static shelving.**

Advancements in information technology have made office filing and storage needs more complex, requiring unique, individual storage solutions. Brownbuilt has developed a wide range

of filing systems that facilitate tailoring specific filing or records management solutions for personal storage through to centralised storage environments.
