

Octave Tambour Door Cupboards

5 YEAR
WARRANTY

The Octave tambour door cupboard represents the future direction for office storage by offering space efficient engineering, durability and modern designer looks.

The tambour door system glides easily along injection-moulded tracks designed with a rolling radius, and fully recede into the cupboard carcass, offering unimpeded full width access. They are ideal for installing in narrow office aisles and corridors or even in corners, saving valuable office floor space.

Standard Features

- Available in two widths and two heights
- Wide range of filing accessories available
- Internal carcass assembly
- Adjustable levelling feet (from inside cabinet)
- Key locking
- Fully retractable tambour door system
- Double-wall PVC slat doors with internal webbing
- Injection-moulded door track
- 25mm vertical shelf adjustment
- Available fully assembled or in Flat Pack
