

Versatrac KompakMax

Brownbuilt

5 YEAR WARRANTY

Product Description

Versatrac is a light, compact mobile storage system developed by Brownbuilt in Australia, suppliers of mobile shelving systems since 1950.

Versatrac is available in conventional cross-aisle, or transverse configurations to suit your available storage space and accessibility requirements.

The low profile aluminium track and precision bearing load wheel system allows easy movement of shelving units.

Transverse Configuration

Conventional Configuration
